## Profile

## Software Engineer

Software Engineer with 6 years of experience building enterprise software across backend, frontend, and database systems. Specialized in C#, Golang, SQL, and distributed systems, with experience delivering ERP, telecom, and financial solutions using PostgreSQL, Oracle, and SQL Server. Experienced with AI-assisted development workflows that accelerate implementation, debugging, code reviews, and technical problem-solving while maintaining production-quality standards.

## Skills

**Languages:** C#, Golang, SQL, JavaScript, TypeScript, Java, Python

**Frontend:** Blazor, React (Personal Projects), HTML5, CSS3

**Databases:** PostgreSQL, MS SQL Server, Oracle, MySQL, MongoDB

**Frameworks & Libraries:** .NET Core, ASP.NET Core, .NET Framework, Entity Framework, Dapper, Echo

**Architecture & Tools:** Microservices, REST, gRPC, Kafka, Docker, Git, Jira, AI-Assisted Development

## Experience

### Software Engineer

Apr 2024 – Present

Gononet Online Solutions Ltd.

Dhaka, Bangladesh

- Develop scalable ERP services using Golang, .NET, PostgreSQL, REST APIs, and gRPC within a microservice architecture.
- Build Inventory, Warehouse, Purchase, Sales, and POS modules while contributing to backend services and frontend integrations.
- Optimized PostgreSQL indexing, reducing query response time by 20%.
- Leverage AI-assisted engineering workflows to accelerate implementation, debugging, code reviews, and technical investigations.

### Software Engineer

Mar 2022 – Mar 2024

NAAS Solutions Ltd.

Dhaka, Bangladesh

- Built telecom applications using C#, .NET, Oracle, Dapper, and SQL.
- Introduced unit testing across key modules, reducing recurring production errors by 80%.
- Worked across six development teams on client requirements, debugging, production support, and Golang R&D.

### Software Engineer

Sep 2019 – Oct 2021

Datahead (PVT.) Ltd.

Dhaka, Bangladesh

- Developed ERP, Provident Fund, and Accounting applications using .NET, SQL Server, and Blazor.
- Built complex SQL queries and reporting solutions for business-critical workflows.
- Introduced Git version control practices, reducing code review time by 50%.

## Education

B.Sc. in Computer Science

2018

Southeast University, Dhaka, Bangladesh
